AC/DC - Highway to Hell

R1: A - D - G - D - G - D - A (E)

R2: A - D - G - F#

Livin' easy, lovin' free
Season ticket on a one way ride
Askin' nothin', leave me be
Takin' everythin' in my stride

Don't need reason, don't need rhyme
Ain't nothin' I'd rather do
Goin' down, party time
My friends are gonna be there too

I'm on the highway to hell
On the highway to hell
Highway to hell
I'm on the highway to hell

No stop signs, speed limit
Nobody's gonna slow me down
Like a wheel, gonna spin it
Nobody's gonna mess me around

Hey Satan, payin' my dues
Playin' in a rockin' band
Hey mama, look at me

I'm on my way to the promised land

AC/DC - You shook me all night long

R1: G - C - D

R2: G - C - B - D - C - B

She was a fast machine, she kept her motor clean
She was the best damn woman I had ever seen
She had the sightless eyes telling me no lies
And knockin' me out with those american thighs

Taking more than her share, had me fighting for air
She told me to come, but I was already there
'Cause the walls stop shaking, the earth was quaking
My mind was aching and we were making and you -

Shook me all night long
Yeah you, shook me all night long

Working double line, on the seduction line
She was one of a kind, She just mine all mine
Wanted no applause, just another course
Made a meal out of me and came back for more

Had to cool me down to take another round
Now im back in the ring to take another swing
Cause the walls were shaking, the earth was quaking
My mind was aching and we were making it and you

Alice in Chains - Down in a hole

R1: Am - G - D

R2: Dm - C - G (Dm - C - Am - C - G - F - Am - G - D)

Bury me softly in this womb
I give this part of me for you
Sand rains down and here I sit
Holding rare flowers in a tomb

Down in a hole and I don't know if I can be saved
See my heart, I decorate it like a grave
You don't understand who they thought I was supposed to be
Look at me now, I'm a man who won't let himself be

Down in a hole, losin' my soul
Down in a hole, losin' control
I'd like to fly,
But my wings have been so denied

Down in a hole and they've put all the stones in their place
I've eaten the sun, so my tongue Has been burned of the taste
I have been guilty of kicking myself in the teeth
I will speak no more of my feelings beneath

Bury me softly in this womb (Oh, I want to be inside of you)
I give this part of me for you,
Sand rains down and here I sit
Holding rare flowers in a tomb

Alice in Chains - Man in a box

R1: Em - D - A

R2: Em - A - Em (G - D - A - C - Em)

R3: Em - G - D - A

I'm the man in the box

Buried in my shit

Won't you come and save me, save me

Feed my eyes, can you sew them shut?

Jesus Christ, deny your maker

He who tries, will be wasted

Feed my eyes now you've sewn them shut

I'm the dog who gets beat

Shove my nose in shit

Won't you come and save me, save me

Audioslave - Doesn't Remind Me

R1: E - A - E

R2: E - D - A - E (E - D - A)

R3: Dm - C - A - Am - G - E

I walk the streets of Japan till I get lost
Cause it doesn't remind me of anything
With a graveyard tan carrying a cross (Cause ...)

I like studying faces in a parking lot (Cause ...)
I like driving backwards in the fog (Cause ...)

The things that I've loved the things that I've lost
The things I've held sacred that I've dropped
I won't lie no more you can bet
I don't want to learn what I'll need to forget

I like gypsy moths and radio talk (Cause ...)
I like gospel music and canned applause (Cause ...)

I like colorful clothing in the sun (Cause ...)
I like hammering nails and speaking in tongues (Cause ...)

Bend and shape me I love the way you are
Slow and sweetly Like never before
Calm and sleeping We won't stir up the past
So discretely We won't look back

I like throwing my voice and breaking guitars (Cause ...)
I like playing in the sand what's mine is ours (Cause ...)

Audioslave - Like a Stone

R1: Am - G - Em7 - F

R2: Am - C - G - Am (F - Am - E)

R3: F - C - E - F - Fm - Dm - E (Am)

On a cobweb afternoon in a room full of emptiness
By a freeway I confess I was lost in the pages
Of a book full of death Reading how we die alone
And if we're good, we'll lay to rest Anywhere we wanna go

In your house I long to be
Room by room patiently
I'll wait for you there
Like a stone I'll wait for you there
Alone

On my deathbed I will pray to the gods and the angels
To the pagans or anyone Who will take me to heaven
To a place I recall I was there so long ago
The sky was bruised the wine was bled and there you led me on

And on I read
Until the day was gone
And I fell in regret
For all the things I've done
For all that I've blessed
And all that I've wronged
In dreams until my death
I wander on

The Beatles - Don't Let Me Down

R1: D - Em7 - D

R2: D - A - A7 - D

Don't let me down, Don't let me down
Don't let me down, Don't let me down

Nobody ever loved me like she does, ooh she does, yes, she does.
And if somebody loved me like she do me, ooh she do me, yes she does.

Don't let me down, Don't let me down
Don't let me down, Don't let me down

I'm in love for the first time. Don't you know it's gonna last.
It's a love that lasts forever, it's a love that has no past.

Don't let me down, Don't let me down
Don't let me down, Don't let me down

And from the first time that she really done me, ooh she done me,
she done me good.

I guess nobody ever really done me, ooh she done me, she done me good.

Don't let me down, Don't let me down
Don't let me down, Don't let me down

The Beatles - Get Back

R1: A - A7 - D - A (G - D - A)

R2: A - D - A (G - D - A)

Jo Jo was a man who thought he was a loner,
but he knew it couldn't last.

Jo Jo left his home in Tuson, Arizona,
For some California grass.

Get back. Get back.

Get back to where you once belonged.

Get back. Get back.

Get back to where you once belonged.

Get back, Jo Jo.

Sweet Loretta Modern thought she was a woman,
But she was another man.

All the girls around her say she got it comin',
But she gets it while she can.

Ben E. King - Stand by Me

R1: C - Am - F - G - C

When the night has come, and the land is dark
And the moon is the only light we'll see

No I won't be afraid, no I won't be afraid
Just as long as you stand, stand by me

And darlin', darlin' stand, by me
oh now now stand, by me
Stand by me, stand by me

If the sky that we look upon should tumble and fall
And the mountains should crumble to the sea

I won't cry, I won't cry, no I won't shed a tear
Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh stand by me
Stand by me, stand by me, stand by me-e, yeah

Bersuit - Un pacto para Vivir

R1: G - D - Em - C - D - C - D - Em - Bm - B7 - G

R2: Em - C - G - C - G

R3: C - G

Un pacto para vivir, odiándonos sol a sol revolviendo más
En los restos, de un amor
Con un camino recto, a la desesperación
Desenlace en un cuento de terror

6 años así, escapando a un mismo lugar con mi fantasía
Buscando otro cuerpo, otra voz
Fui consumiendo infiernos, para salir de vos
Intoxicado, loco y, sin humor

Si hoy te tuviera aquí, cuando hago esta canción, me sentiría raro
No tengo sueño, mi panza vibra
Tuve un golpe energético, milagro y resurrección
Y eso que estaba tieso, bajo control

El poder siempre manda, si para tenerte aquí habría q maltratarte
No puedo hacerlo, sos mi dios
Te veo, me sonrojo y tiemblo, que idiota te hace el amor
Y hoy quiero darle rienda, a esta superstición

Un pacto para vivir
Un pacto para vivir
Un pacto para vivir

Black Sabbath - Paranoid

R1: Em - D - G - D - Em

R2: Em - C - D - Em

R3: Em - D - Em - D

Finished with my woman
'cause she couldn't help me with my mind
People think I'm insane
because I am frowning all the time

All day long I think of things but nothing seems to satisfy
Think I'll lose my mind if I don't find something to pacify

Can you help me
Occupy my brain
Oh yeah

I need someone to show me the things in life that I can't find
I can't see the things that make true happiness, I must be blind

Make a joke and I will sigh and you will laugh and I will cry
Happiness I cannot feel and love to me is so unreal

And so as you hear these words telling you now of my state
I tell you to enjoy life, I wish I could but it's too late

Blind Melon - No Rain

R1: E - D

R2: E - D - A - G - E - E7

R3: E - D - A - G - E

All I can say is that my life is pretty plain
I like watchin' the puddles gather rain
And all I can do is just pour some tea for two
and speak my point of view but it's not sane, It's not sane

I just want someone to say to me oh,
I'll always be there when you wake yeah,
Ya know I'd like to keep my cheeks dry today
so stay with me and I'll have it made

And I don't understand why I sleep all day
And I start to complain that there's no rain
And all I can do is read a book to stay awake
It rips my life away, but it's a great escape

escape, escape, escape

All I can say is that my life is pretty plain
ya don't like my point of view
ya think that I'm insane
Its not sane, it's not sane

Bob Dylan - The man in me

R1: G - Am - D - G (G - Am - G)

R2: Am - G (Am - D)

The man in me will do nearly any task,
And as for compensation, there's little he would ask.
Take a woman like you
To get through to the man in me.

Storm clouds are raging all around my door,
I think to myself I might not take it any more.
Take a woman like your kind
To find the man in me.

But, oh, what a wonderful feeling
Just to know that you are near,
Sets my a heart a-reeling
From my toes up to my ears.

The man in me will hide sometimes to keep from bein' seen,
But that's just because he doesn't want to turn into some
machine.
Took a woman like you
To get through to the man in me.

Bob Marley - Buffalo Soldier

R1: A - F#m - D - A

R2: D - C#m - Bm - F#m

Buffalo Soldier, Dreadlock Rasta

There was a Buffalo Soldier in the heart of America

Stolen from Africa, brought to America

Fighting on arrival, fighting for survival

If you know your history

Then you would know where you coming from

Then you wouldn't have to ask me

Who the heck do I think I am

Said he was a Buffalo Soldier, Dreadlock Rasta

Buffalo Soldier in the heart of America

And he was taken from Africa, brought to America

Fighting on arrival, fighting for survival

I'm just a Buffalo Soldier in the heart of America

Singing woy yoy yoy, woy yoy-yoy yoy,

Woy yoy yoy yoy, yoy yoy-yoy yoy!

Buffalo Soldier troddin' through the land, wo-ho-oo

Said he wanna ran, then you wanna hand

Troddin' through the land, yea-hea, yea-ea

Bob Marley - Is This Love

R1: A - F#m - D - A

R2: C#m7 - Bm7 (D - E)

I wanna love you and treat you right.

I wanna love you every day and every night.

We'll be together with a roof right over our heads.

We'll share the shelter of my single bed.

We'll share the same room, Jah provide the bread.

Is this love, is this love, is this love,

is this love that I'm feeling?

Is this love, is this love, is this love,

is this love that I'm feeling?

I wanna know, wanna know, wanna know now.

I've got to know, got to know, got to know now.

I... I'm willing and able,

so I throw my cards on your table.

Oh yes I know, yes I know, yes I know now

Oh yes I know, yes I know, yes I know now

I... I'm willing and able,

so I throw my cards on your table.

Bob Marley - No woman no cry

R1: C - G - Am - F - C - F - C - G

R2: C - G - Am - F

No, woman, no cry;
No, woman, no cry;
No, woman, no cry;
No, woman, no cry.

'Cause - 'cause - 'cause I remember when a we used to sit
In a government yard in Trenchtown,
Oba - obaserving the 'ypocrites - yeah! -
Mingle with the good people we meet, yeah!
Good friends we have, oh, good friends we have lost
Along the way, yeah!

In this great future, you can't forget your past;
So dry your tears, I seh. Yeah!

No, woman, no cry;
A little darlin', don't shed no tears:
No, woman, no cry. Eh!

Everything's gonna be all right!
Everything's gonna be all right, yeah!

So no, woman, no cry;
No, woman, no cry.
I seh, O little - O little darlin', don't shed no tears;
No, woman, no cry, eh.

Bob Marley - Redemption Song

R1: G - Em7 - C - Am

R2: G - C - (Em - C - D - G)

Old pirates, yes, they rob I
sold I to the merchant ships
Minutes after they took I
from the bottomless pit.

But my hand was made strong
by the hand of the Almighty.
We forward in this generation
Triumphantly.

Won't you help to sing
Another song of freedom
'Cause all I ever have,
Redemption songs,
Redemption songs.

Emancipate yourself from mental slavery,
None but ourselves can free our mind.
Have no fear for atomic energy,
'Cause none of them can stop the time.

How long shall they kill our prophets,
While we stand aside and look?
Some say it's just a part of it,
We've got to fulfill the Book.

Bobby McFerrin – Don't worry be happy

R1: B - C#m - E - B

Here's a little song I wrote
You might want to sing it note for note
Don't worry, be happy.

In every life we have some trouble
But when you worry you make it double
Don't worry, be happy.

Don't worry, be happy now.

Ain't got no place to lay your head
Somebody came and took your bed
Don't worry, be happy.

The landlord say your rent is late
He may have to litigate
Don't worry, be happy.

Ain't got no cash, ain't got no style
Ain't got no gal to make you smile
Don't worry, be happy.

'Cause when you worry your face will frown
And that will bring everybody down
Don't worry, be happy.

Bon Jovi - Livin On A Prayer

R1: Em - C - D - Em

R2: C - D - Em

R3: Em - C - D - G - C - D

Tommy used to work on the docks
Union's been on strike. He's down on his luck
It's tough, so tough.

Gina works the diner all day
Working for her man. She brings home her pay
For love, for love.

She says we've got to hold on to what we've got.
It doesn't make a difference if we make it or not.
We've got each other and that's a lot, for love.
We'll give it a shot.

Oh, we're halfway there, woah oh, livin' on a prayer.
Take my hand, we'll make it I swear
Woah oh, livin' on a prayer.

Tommy's got his six string in hock.
Now he's holding in, what he used to make it talk
So tough, it's tough.

Gina dreams of running away
When she cries in the night, Tommy whispers:
Baby it's O.K., some day.

Candlebox - Far Behind

R1: G - Em - D - C

Now maybe I didn't mean to treat you bad but I did it anyway
And now maybe some would say your life was sad
But you lived it anyway
And now maybe your friends they stand beside they watch you
crumble as you falter to the ground
And now maybe your friends they stand beside as you were flying
Oh you were flying oh so high
But then someday people look at you for what they call their own
They watch you suffer yeah they hear you calling home
But then someday we could take our time To brush the leaves
aside so you can reach us but you left me far behind

Now maybe I didn't mean to treat you oh so bad
But I did it anyway
Now maybe some would say you're left with what you had
But you couldn't share the pain no, no, no

So maybe I could have made my own mistakes
But I live with what I've known
Yes maybe we might share in something great
But won't you look at where we've grown now
Wont you look at where we've gone
But then someday comes tomorrow holds a sense of what I fear
for you in my mind as you trip the final line
And that cold day when you lost control Shame you left my life
So soon you should have told me, hey but you left me far behind

Cat Stevens - Father and Son

R1: G - D - C - Am - G - Em (Am - D / D - G)

R2: D - C - G

It's not time to make a change, just relax and take it easy
You're still young that's your fault
there's so much you have to know
Find a girl, settle down, if you want to, you can marry
Look at me, I am old, but I'm happy

I was once like you are now, and I know that its not easy
to be calm, when you've found something going on
But take your time, think a lot, why think of everything you've got
For you will still be here tomorrow, but your dreams may not

How can I try to explain? when I do he turns away again
it's always been the same, same old story
From the moment I could talk I was ordered to listen
now there's a way and I know I have to go away

and I know I have to go

All the times that I cried, keeping all the things I knew inside
It's hard, but it's harder to ignore it
If they were right, I'd agree, but it's them they know, not me
Now there's a way, and I know that I have to go away

I know I have to go

Cat Stevens - Wild World

R1: Am - D7 - G - C7 - F - Dm - E (G7)

R2: C - G - F - G - F - C (Dm - E)

Now that I've lost everything to you
You say you wanna start something new
And it's breaking my heart you're leaving
Baby, I'm grieving

But if you wanna leave, take good care
Hope you have a lot of nice things to wear
But then a lot of nice things turn bad out there

Oh, baby, baby, it's a wild world
It's hard to get by just upon a smile
Oh, baby, baby, it's a wild world
I'll always remember you like a child, girl

You know I've seen a lot of what the world can do
And it's breaking my heart in two
Because I never wanna see you a sad, girl
Don't be a bad girl

But if you wanna leave, take good care
Hope you make a lot of nice friends out there
But just remember there's a lot of bad, and beware

Chancho en Piedra - Da la claridad a nuestro sol

R1: Bm - A

R2: F#m - E - Bm - C#m

Hoy me siento un poco nublado
Y mi estrella se ha apagado, Como puedo ver

La alegría en nuestro cuerpo
Sin entrar en tu sagrado santuario

Dá la claridad a nuestro sol, que se nos va la vida
Ya caminarás sin el temor de tropezar perdida

Las caricias son las que mas me someten a tu calor
Me quemo, mis cenizas aparecen en tu piel amor

Corazón, mi alma en tu cuerpo ya se escondió
Espero, hija del sol, que devuelvas a mi la emoción

De escupir las mil penas

Chris Isaak - Wicked Game

R1: Bm - A - E

The world was on fire and no one could save me but you.
It's strange what desire will make foolish people do.
I never dreamed that I'd meet somebody like you.
I never dreamed that I'd lose somebody like you.

No, I don't want to fall in love.
(This world is only gonna break your heart)
No, I don't want to fall in love.
With you.
With you.

What a wicked game you play, to make me feel this way.
What a wicked thing to do, to let me dream of you.
What a wicked thing to say, you never felt this way.
What a wicked thing to do, to make me dream of you.

And, I don't want to fall in love.
No, I don't want to fall in love.
With you.

Coldplay - Yellow

R1: C - G - F

R2: F - Am - G

Look at the stars, look how they shine for you,
And everything you do, Yeah, they were all yellow,

I came along I wrote a song for you
And all the things you do, and it was called yellow

So then I took my turn
Oh all the things I've done and it was all yellow

Your skin
Oh yeah your skin and bones
Turn into something beautiful
D'you know you know I love you so
You know I love you so

I swam across I jumped across for you
Oh all the things you do Cause you were all yellow

I drew a line I drew a line for you
Oh what a thing to do And it was all yellow

Colour Haze - Get it On

R1: Cm - A#

R2: G# - A# - Cm

This is about love and about soul

We get it on, we get it go

No tiny gods, no tiny minds

Cannot stop us jump of the lines

Cause

See the man right now

See the man now going down

We burst it up, we break out now

We get it on, we turn around

It's coming hard from upside down

Sweet subversion from the underground

We get it on, we get it go

We get you up from down below

Coti - Nada fue un error

R1: A – E - D - E

Tengo una mala noticia
no fue de casualidad
yo quería que nos pasara
y tu, y tu lo dejaste pasar

No quiero que me perdones
y no me pidas perdón
no me niegues que me buscaste
nada nada de esto

nada de esto fue un error
nada fue un error
nada de esto fue un error

Los errores no se eligen
para bien o para mal
no fallé cuando viniste...
y tu, y tu no quisiste fallar

Aprendí la diferencia
entre juego y el azar
quien te mira y quien se entrega
nada nada de esto

The Cranberries - Dreams

R1: E - A - B - E

R2: G - C - G - C

Oh my life is changing everyday
every possible way
though my dreams, it's never quite as it seems
never quite as it seems

I know I felt like this before but now I'm feeling it even more
because it came from you

Then I open up and see the person fumbling here is me
a different way to be

I want more, impossible to ignore
impossible to ignore
they'll come true, impossible not to do
impossible not to do

Now I tell you openly you have my heart so don't hurt me
for what I couldn't find

Talk to me amazing mind so understanding and so kind
you're everything to me

Oh my life is changing everyday
every possible way
though my dreams, it's never quite as it seems
'cause you're a dream to me, dream to me

The Cranberries - Zombie

R1: Am - F - C - G

Another head hangs lowly child is slowly taken
And the violence caused such silence who are we mistaken

But you see it's not me, it's not my family,
In your head, in your head, they are fighting

With their tanks and their bombs in your head, in your head, they
are crying.

In your head, in your head, zombie, zombie, zombie
What's in your head, in your head, zombie, zombie, zombie

Another's mother's breaking, heart is taking over.
When the violence caused silence, we must be mistaken.

It's the same old theme since 1916,
in your head, in your head, they're still fighting

With their tanks and their bombs en' their guns,
In your head, in your head, they're dying.

In your head, in your head, zombie, zombie, zombie
What's in your head, in your head, zombie, zombie, zombie

Creed - One Last Breath

R1: D - A - Bm - G

R2: D - F# - Bm - G

R3: Em - G - D - A - Bm - G

Please come now, I think I'm falling
I'm holding on to all I think is safe
I seem to've found the road to nowhere
and I'm trying to escape
I yelled back when I heard thunder
but I'm down to one last breath
and with it let me say, let me say

Hold me now
I'm six feet from the edge and I'm thinkin'
maybe six feet ain't so far down

I'm looking down, now that it's over
reflecting on all of my mistakes
I thought I found the road to somewhere,
somewhere in His grace
I cried out "Heaven save me!"
but I'm down to one last breath
and with it let me say, let me say

Sad eyes follow me
'cause I still believe there's something left for me
so please come stay with me
'cause I still believe there's something left for you and me
for you and me, for you and me

CCR - Bad Moon Rising

R1: D - A - G - D

R2: G - D - A - G - D

I see a bad moon rising
I see trouble on the way
I see earthquakes and lightning
I see bad times today

Don't go around tonight
'Cause it's bound to take your life
There is a bad moon on the rise

I hear hurricanes a blowing
I know the end is coming soon
I fear rivers overflowing
I hear the voice of rage and ruin

Hope you got your things together
Hope you are quite prepared to die
Looks like we're in for nasty weather
One eye is taken for an eye

CCR - Fortunate Son

R1: G - F - C - G

R2: G - D - C - G

Some folks are born made wave the flag,
Ooh, that red, white and blue, dog
And when the band plays hail to the chief,
Ooh, they point the cannon at you, lord

It ain't me, it ain't me, I ain't no senator's son, son
It ain't me, it ain't me, I ain't no fortunate one, no

Some folks are born silver spoon in hand,
Lord, don't they help themselves, oh
But when the taxman comes to the door,
Lord, the house lookin' like a rummage sale, yeah.

It ain't me, it ain't me, I ain't no millionaire's son, dog
It ain't me, it ain't me, I ain't no fortunate one, no.

Some folks inherit star spangled eyes,
Ooh, and they send you down to war, lord,
And when you ask them, how much should we give?
Ooh, the only answer is more! more! more! yeah!

It ain't me, it ain't me, I ain't no military son, dog
It ain't me, it ain't me, I ain't no fortunate one, one
It ain't me, it ain't me, I ain't no fortunate one, dog
It ain't me, it ain't me, I ain't no fortunate one, dog

CCR - Have You Ever Seen The Rain

R1: C - G - C

R2: F - G - C - Am (G - C)

Someone told me long ago there s a calm before the storm,
I know; it s been comin for some time.
When its over, so they say, it ll rain a sunny day,
I know; shinin down like water.

I want to know, have you ever seen the rain?
I want to know, have you ever seen the rain
Comin down on a sunny day?

Yesterday, and days before, sun is cold and rain is hard,
I know; been that way for all my time.
till forever, on it goes through the circle, fast and slow,
I know; it can t stop, I wonder.

CCR - Proud Mary

R1: D - A - Bm - D

Left a good job in the city
Workin' for the man ev'ry night and day
And I never lost one minute of sleepin'
Worryin' 'bout the way things might have been
Big wheel keep on turnin'
Proud Mary keep on burnin'
Rollin', rollin', rollin' on the river

Cleaned a lot of plates in Memphis
Pumped a lot of pain down in New Orleans
But I never saw the good side of the city
'Til I hitched a ride on a river boat queen
Big wheel keep on turnin'
Proud Mary keep on burnin'
Rollin', rollin', rollin' on the river

If you come down to the river
Bet you gonna find some people who live
You don't have to worry 'cause you have [if you got] no money
People on the river are happy to give
Big wheel keep on turnin'
Proud Mary keep on burnin'
Rollin', rollin', rollin' on the river

Divididos - Que ves

R1: Am - G - D - F

R2: Am - G (D - F)

El wawa de Troilo no quiere arrancar
Falta envido y truco, chiste nacional.
Estamos en vena grita el mayoral,
pagas el vale un día después.

Que ves?

Que ves cuando me ves?

Cuando la mentira es la verdad.

La prensa de dios lleva poster central,
el bien y el mal definen por penal.
Fia la chapita porron en Palomar
cruzando la vía pa' poderla pasar.

Eagles - Hotel California

R1: Am - E7 - G - D - F - C - Dm - E7

R2: F - C - E7 - Am

On a dark desert highway, cool wind in my hair
Warm smell of colitas rising up through the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night

There she stood in the doorway; I heard the mission bell
And I was thinking to myself
This could be heaven or this could be hell
Then she lit up a candle, and she showed me the way
There were voices down the corridor, I thought I heard them say

Welcome to the Hotel California.
Such a lovely place (such a lovely place), such a lovely face
Plenty of room at the Hotel California
Any time of year (any time of year), you can find it here

Her mind is Tiffany-twisted, she got the Mercedes bends
She got a lot of pretty pretty boys she calls friends
How they danced in the courtyard, sweet summer sweat
Some dance to remember, some dance to forget

So I called up the captain; Please bring me my wine (he said)
We haven't had that spirit here since 1969
and still those voices are calling from far away
Wake you up in the middle of the night, just to hear them say

Enanitos Verdes - Lamento Boliviano

R1: Em - Bm - Am - Em - B7

Me quieren agitar, me incitan a gritar...
soy como una roca, palabras no me tocan
Adentro hay un volcán, que pronto va a estallar...
yo quiero estar tranquilo

Es mi situación, una desolación...
soy como un lamento, lamento boliviano
Que un día empezó y no va a terminar...
y a nadie hace daño

uohh... io io... ehehé.. ieehh

Y hoy estoy aquí
borracho y loco,
y mi corazón idiota siempre brillara
y yo te amare
te amare por siempre
nena no te peines en la cama...
que los viajeros se van a trazar.

Enanitos Verdes - Tus viejas cartas

R1: G - Em - Am - D

R2: C - D - Em (F - D)

R3: F - C (Am - D)

Estuve leyendo tus viejas cartas
Donde me hablabas de amor
Usando palabras querias decirme
Ya no puedo estar sin vos

Y donde quedo ahora
Esa hermosa ilusion
De regalarte a vos
Lo mejor de mi amor

Creimos que todo habia cambiado
No habia razon ya para estar mal
Pero el otono golpeo nuestra puerta
Y como una hoja nuestro amor murio

A veces los sentimientos
No se pueden manejar
Y cuando nos atrapan
No podemos escapar
Y es asi, nuestro corazon sufre

Y sigue y sigue dando vueltas y vueltas
La loca rueda de la vida
Y sigue rodando en mi cabeza
El enigma cautivante de tu voz

Eric Clapton - Tears in Heaven

R1: G - D - Em - C - G - D

R2: Em - Bm - Dm - E - Am - D - G

R3: Bb - F - Gm - C - F (D)

Would you know my name,
if I saw you in heaven?

Will it be the same,
if I saw you in heaven?

I must be strong, and carry on
Cause I know I don't belong, here in heaven

Would you hold my hand,
if I saw you in heaven?

Would you help me stand,
if I saw you in heaven?

I'll find my way, through night and day
Cause I know I just can't stay, here in heaven

Beyond the door, there's peace I'm sure.
And I know there'll be no more, tears in heaven

Foo Fighters - Times like these

R1: D - Am - C - Em - D

R2: C - Em7 - D

I, I'm a one way motorway

I'm the one that drives away, follows you back home

I, I'm a streetlight shining

I'm a white light blinding bright, burning off and on

It's times like these you learn to live again

It's times like these you give and give again

It's times like these you learn to love again

It's times like these, time and time again

I, I'm a new day rising

I'm a brand new sky that hangs stars upon tonight

I, I'm a little divided

Do I stay or run away and leave it all behind

Green Day - Basket Case

R1: D - A - Bm - F#m - G - D - A

R2: G - A - D (D - Bm - G - A - D)

Do you have the time
To listen to me whine
About nothing and everything
All at once

I am one of those
Melodramatic fools
Neurotic to the bone
No doubt about it

Sometimes I give myself the creeps
Sometimes my mind plays tricks on me
It all keeps adding up, I think I'm cracking up
Am I just paranoid? Am I just stoned?

I went to a shrink
To analyze my dreams
She says it's lack of sex
That's bringing me down

I went to a whore
He said my life's a bore
So quit my whining cause
It's bringing her down

Grasping to control, so I better hold on

Green Day - She

R1: G - D - C - G

R2: D - C - G (C - G - D)

She, she screams in silence,
a sullen riot penetrating through her mind

Waiting for a sign,
To smash the silence with a brick of self-control

Are you locked up in a world
that's planned out for you,
Are you feeling like
a social tool without a use,
Scream at me, until my ears bleed,
I'm taking heed just for you,

She, she's figured out,
All her doubt's were someone elses point of view
Waking up this time,
To smash the silence with a brick of self-control

Guns N' Roses - Don't Cry

R1: Am - Dm - G - C (Am)

R2: F - G - Am (C)

Talk to me softly there's somethin' in your eye
Don't hang your head in sorrow and please don't cry
I know how you feel inside I've I've been there before
Something is changing inside you and don't you know

Don't you cry tonight
I still love you baby
Don't you cry tonight
Don't you cry tonight
there's a heaven above you baby
And don't you cry tonight

Give me a whisper and give me a sigh
Give me a kiss before you tell me goodbye
Don't you take it so hard now and please don't take it so bad
I'll still be thinking of you and the times we had, baby

And please remember that i never lied
Oh, and please remember how i felt inside, now honey
You gotta make it your own way but you'll be alright, now sugar
you'll feel better tomorrow in the morning light now baby

Guns N' Roses - Patience

R1: C - G - A - D

R2: C - G - C - Em - C - G - D

R3: D - G

Shed a tear cause I'm missing you, I'm still alright to smile
Girl I think about you every day now
Was a time when I wasn't sure but you set my mind at ease
There is no doubt, you're in my heart now

Said woman, take it slow, It'll work itself out fine
All we need is just a little patience
Said sugar, make it slow and it'll come together fine
All we need is just a little patience

I sit here on the stairs, cause I'd rather be alone
If I can't have you right now, I'll wait, dear
Sometimes I get so tense, but I can't speed up the time
But you know love, there's one more thing
To consider

I've been walking the streets tonight
Just trying to get it right
It's hard to see with so many around
You know I don't like being stuck in the crowd
And the streets don't change but maybe the names
I ain't got time for the game
Cause I need you, Yeah Ooooh, I need you
Ooooh, this time

Guns N' Roses - Sweet Child O' Mine

R1: D - C - G - D

R2: Am - C - D

R3: Em - G - Am - C - D

She's got smile that it seems to me
reminds me of childhood memories,
Where everything was as fresh as the bright blue sky
Now and then When I see her face
she takes me away to that special place,
and if I stared too long,
I'd probably break down and cry

Woah, woah, woah, sweet child o' mine
Woah, oh, oh, oh, sweet love of mine

She's got eyes of the bluest skies,
as if they thought of rain
I hate to look into those eyes
and see anounce of pain
Her hair reminds me of a warm safe place
where as a child I'd hide,
And pray for the thunder and the rain
to quietly pass me by

Where do we go? Where do we go now?
Where do we go?
Where do we go? Where do we go?
Where do we go now?

Illapu - Lejos del Amor

R1: C - F - C - G - Dm - G - Dm - F - G

R2: C - G - Am - F - D - G - Am - F - G

Que hacen aquí estas gaviotas
tan lejos del mar que hacen aquí
entres piedras y rincón en este río marrón
que hacen aquí tan lejos del mar

Que hacen aquí estos pequeños
lejos del hogar que hacen aquí
entre piedras y dolor en este sucio balcón
que hacen aquí lejos del hogar.

Que hacen aquí estos amantes
en este lugar que hacen aquí
entre hierbas y candor en este parque de amor
que hacen aquí lejos de la razón.

Lejos del amor (lejos del amor)
lejos del cielo (lejos del cielo)
un canto perdido un sol sin vida
que hacen aquí estos desvelos
que hacen aquí sin un consuelo.

Que hacen aquí estos amantes
en este lugar que hacen aquí
entre hierbas y candor en este parque de amor
que hacen aquí lejos de la razón.

Illapu - Sobreviviendo

R1: Em - C - G - D

R2: C - G - D - Em

Me preguntaron como vivía me preguntaron
"sobreviviendo" dije, "sobreviviendo"
Tengo un poema escrito más de mil veces
en el repito siempre que mientras alguien
proponga muerte, sobre esta tierra
y se fabriquen armas para la guerra
yo pisare estos campos sobreviviendo
Todos frente al peligro, sobreviviendo
tristes y errantes hombres, sobreviviendo

Sobreviviendo, sobreviviendo

Hace tiempo no rio como hace tiempo
y eso que yo reía como un jilguero
tengo cierta memoria que me lastima
y no puedo olvidarme lo de Hiroshima
cuánta tragedia, sobre esta tierra
No quiero ver un día manifestando
por la paz en el mundo a los animales
Como me reiría ese loco día ellos manifestándose por la vida
y nosotros apenas sobreviviendo, sobreviviendo

Ya no quiero ser solo un sobreviviente,
quiero elegir el día para mi muerte
tengo la carne joven, roja la sangre
la dentadura buena y mi esperma urgente

Iron Maiden - Fear of the Dark

R1: Em - C - D - C - D - Em

R2: C - D - Em - D - C - G - A - Em

I am a man who walks alone,
and when I'm walking a dark road
at night or strolling through the park
When the lights begin to change,
I sometimes feel a little strange a little anxious when it's dark

Fear of the dark, Fear of the dark,
I have a constant fear that something's always near
Fear of the dark, Fear of the dark,
I have a phobia that someone's always there

Have you run your fingers down the wall
And have you felt your neck skin crawl
When you're searching for the light
Sometimes when you're scared to take a look
At the corner of the room
You've sensed that something's watching you

Have you ever been alone at night
Thought you heard footsteps behind
And turned around and no one's there?
And as you quicken up your pace
You find it hard to look again
Because you're sure there's someone there

When I'm walking a dark road, I am the man who walks alone

Jack Johnson - Banana Pancakes

R1: G - Am - G - D

R2: G - D - Am - C

R3: C - G - Am - G

R4: Am - D (Bm - Em - G - Am - G)

Well can't you see that it's just rainin'

There ain't no need to go outside

But baby, you hardly even notice, when I try to show you

This song is meant to keep you from doin what you're supposed to

Wakin' up too early Maybe we could sleep in

Make you banana pancakes Pretend like it's the weekend now

And we could pretend it all the time

Can't you see that it's just rainin' There ain't no need to go outside

But just maybe, laka ukulele Mama made a baby

Really don't mind to practice Because you're my little lady

Lady, lady love me 'Cause I love to lay here lazy

We could close the curtains Pretend like there's no world outside

Ain't no need, ain't no need mmmm mmmm

Can't you see, can't you see Rain all day and I don't mind

But the telephone's singing, ringing It's too early, don't pick it up

We don't need to We got everything we need right here

And everything we need is enough

Just so easy When the whole world fits inside of your arms

Do we really need to pay attention to the alarm, Wake up slow

Mmmmm, wake up slow.

Korn - Freak on a Leash

R1: D - Gm - Bm - Bb

R2: D - Dsus4

R3: E - F - A

Something takes a part of me.

Something lost and never seen.

Everytime I start to believe,

Something's raped and taken from me... from me.

Life's got to always be messing with me. (You wanna see the light)

Can't they chill and let me be free? (So do I)

Can't I take away all this pain. (You wanna see the light)

I try to every night, all in vain... in vain.

Sometimes I cannot take this place.

Sometimes it's my life I can't taste.

Sometimes I cannot feel my face.

You'll never see me fall from grace

Something takes a part of me.

You and I were meant to be.

A cheap fuck for me to lay

Something takes a part of me.

Feeling like a freak on a leash. (You wanna see the light)

Feeling like I have no release. (So do I)

How many times have I felt diseased? (You wanna see the light)

Nothing in my life is free... is free

Kyuss - Phototropic

R1: Cm - Bb - Cm - Bbm

Under light that I have never seen
Go to the light reach up to the beam
Under light under light
Reach up to the sun or you can run

Found the roof the smallness of it all
Found the roof you will never fall

Kyuss - Gardenia

R1: Cm

R2: Ab - Bb - Cm

One blow till I'll take ya down I'll take ya down
One smoke and your head spins around and around
Chrome mags, a million drags, it never lags
An old transport queen mama you never seen

Hear a purrin' motor
And she's a-burnin' fuel
Push it over, baby
We're makin' love unto you

Power booster, I'm talkin' to God and more
Crank it up and above my head
Smell my shit eating grin on the skin of my world
Six hundred sixty six miles per hour

Get back, get back a-rollin'
Get back, get back motherfucker
Get back, get back a-rollin'
Get back, get back motherfucker
Motherfucker motherfucker

Kyuss - Green Machine

R1: C - D#

R2: C - G# - A# - D#

I've got a war inside my head
it's got to set itself free
I've got a wheel inside my head
a wheel of understanding

I'm loading, loading, my war machine
I'm contributing to the system the breakdown scheme
I'm a shutting down, I'm shutting down, your greed for green
I am here to gun it down, gun it down

I see pretty flowers at my feet
cool breeze, clean air, hospitality
Pretty please, pretty please, pretty please
get the hell away from me

Kyuss - Space Cadet

R1: B - A# - C#m

R2: C#m

I stand alone on the cliffs of the world
No one ever tends to me
Sitting alone covered in rays
Some things are so my mind can breathe

The waiting is hard fuckin' takes so long
Draped in sun hands in sand
Earth acid cleanses me
It cleanses me clean
But the world, it never comes
It never comes
It never comes

I lay on my side in the edge of the room
She never expects anything from me
Where were all the days the days of the year?
I know I miss that part of me

Mancha de Rolando - Arde la Ciudad

R1: C - G - F (C - G - Am - F)

R2: Dm - G (F - G)

R3: C - G - Am - F

Tu equipo volvio a ganar
te prendieron mil bengalas hoy
la banda grita, tu nombre y ves
como la popular, se va a caer

Pero tu estrella no esta mas
se la llevo la ma ana

Arde la ciudad llueve tu mirada gris
la gente festeja y vuelve a reir
pero este carnaval hoy no te deja dormir
mires donde mires ella esta ahi

Tu vida siempre fue asi
te da y te quita por nada
y aunque estes solo... sin corazon
ahora tenes que seguir la funcion

Y es una fiesta el bodegon
donde se junta la hinchada

La Renga - Balada del diablo y la muerte

R1: Em - G - D - A

Estaba el diablo mal parado en la esquina de mi barrio
ahí donde dobla el viento y se cruzan los atajos.
Al lado de él estaba la muerte, con una botella en la mano
me miraban de reojo y se reían por lo bajo.

Y yo que esperaba no sé a quién, al otro lado de la calle del otoño
una noche de bufanda que me encontró desvelado,
entre dientes oí a la muerte que decía, que decía así:

Yo me escondí tras la niebla y miré al infinito,
a ver si llegaba ese que nunca iba a venir.
Estaba el diablo mal parado en la esquina de mi barrio,
al lado de él estaba la muerte, con una botella en la mano.

Y temblando como una hoja, me crucé para encararlos,
y les dije, me parece que esta vez me dejaron bien plantado.
Les pedí fuego y del bolsillo saqué una rama pa' convidarlos
y bajo un árbol del otoño nos quedamos chamuyendo,

me contaron de sus vidas, sus triunfos y sus fracasos,
de que el mundo andaba loco y hasta el cielo fué comprado
y más miedo que ellos dos, me daba el propio ser humano.
Y yo ya no esperaba a nadie, y entre las risas del aquelarre
el diablo y la muerte se me fueron amigando,
ahí donde dobla el viento y se cruzan los atajos,
ahí donde brinda la vida en la esquina de mi barrio.

La Renga - El Rebelde

R1: E - B - A - E

R2: A - E - B - A

Soy el que nunca aprendió, desde que nació
cómo debe vivir el humano, llegué tarde al sistema,
ya estaba enchufado, así funcionando.

Siempre que haya reunión, será mi opinión
la que en familia desate algún bardo
no puedo acotar, está siempre mal la vida que amo.

Caminito al costado del mundo, por ahí he de andar buscándome
un rumbo, ser socio de esta sociedad me puede matar.

Y me gusta el rock, el maldito rock
siempre me lleva el diablo, no tengo religión
quizá éste no era mi lugar, pero tuve que nacer igual.

No me convence ningún tipo de política
ni el demócrata, ni el fascista
porque me tocó ser así, ni siquiera anarquista.

Yo veo todo al revés, no veo como usted
yo no veo justicia, sólo miseria y hambre
o será que soy yo que llevo la contra como estandarte.

Perdónenme pero soy así soy, yo no sé por qué
se que hay otros también, es que alguien debía de serlo,
que prefiera la rebelión, a vivir padeciendo

Linkin Park - Numb

R1: Em - C - G - D (Em - G)

R2: D - Em - C - D - Bm

I'm tired of being what you want me to be
Feeling so faithless lost under the surface
Don't know what you're expecting of me
Put under the pressure of walking in your shoes
Every step that I take is another mistake to you

I've become so numb I can't feel you there
Become so tired so much more aware
I'm becoming this all I want to do
Is be more like me and be less like you

Can't you see that you're smothering me
Holding too tightly afraid to lose control
Cause everything that you thought I would be
Has fallen apart right in front of you
(Caught in the undertow just caught in the undertow)
Every step that I take is another mistake to you
(Caught in the undertow just caught in the undertow)
And every second I waste is more than I can take

And I know, I may end up failing too
But I know
You were just like me with someone disappointed in you

Los Jaivas - La Conquistada

R1: F - Em - Am

Contemplando en mi memoria
Hacia aquel lugar
En el horizonte de mi mente
Se ha escondido el sol.

Como un recuerdo que me llega
De su corazón
Ella no existe más

Ella era una nube
Que el viento conquistó

Suaves caricias
Tiernos desvelos

Ella era una nube
Que un beso ardiente derritió

Ella no existe más

En el horizonte de mi mente
Se ha escondido el sol

Ella era una nube
Que un beso ardiente derritió

Ella no existe más.

Los Jaivas - Todos Juntos

R1: Em - G - D - Em

Hace mucho tiempo que yo vivo preguntándome
Para qué la tierra es tan redonda y una sola no más.

Si vivimos todos separados
Para qué son el cielo y el mar
Para qué es el sol que nos alumbra
Si no nos queremos ni mirar.

Tantas penas que nos van llevando a todos al final
Cuántas noches, cada noche, de ternura tendremos que dar.

Para qué vivir tan separados
Si la tierra nos quiere juntar.
Si este mundo es uno y para todos
Todos juntos vamos a vivir.

Los Prisioneros - El baile de los que sobran

R1: C - G - C - F

R2: Am - G - F - D - E

Es otra noche mas de caminar
es otro fin de mes sin novedad

Mis amigos se quedaron igual que tu
este año se les acabaron los juegos los doce juegos

Unanse al baile de los que sobran
nadie nos va hechar jamás nadie nos quiso ayudar de verdad

Nos dijeron cuando chicos jueguen a estudiar
los hombres son hermanos y juntos deben trabajar
oías los consejos lso ojos en el profesor
habia tanto sol sobre las cabezas
y no fue tan verdad porque esos juegos al final
terminaron para otros con laureles y futuros
y dejaron a mis amigos pateando piedras

Hey conozco unos cuentos sobre el futuro
hey, el tiempo en que los aprendí fue mas seguro

Bajo los zapatos barro mas cemento el futuro no es ninguno
de los prometidos en los doce juegos

a otros le enseñaron secretos que a ti no
a otros dieron de verdad esa cosa llamada educación
ellos pedían esfuerzo ellos pedían dedicación
y para que para terminar bailando y pateando piedras

Los Prisioneros - No necesitamos Banderas

R1: Am - Dm (G - C - Dm - E)

R2: Am - C - Em - Dm (E)

Con la autoridad que nos da el buen juicio
Y en pleno uso de nuestra razón
Declaramos romper de forma oficial
Los lazos que nos pudieron atar alguna vez
A una institución o forma de representación
Que nos declare parte de su total.

Con toda honestidad y con la mente fría
Renegamos de cualquier patrón
Ya todas las divisas nos dan indiferencia
Renegamos de cualquier color
Se llame religión se llame nacionalidad
No queremos representatividad.

No necesitamos banderas
No reconocemos fronteras
No aceptaremos filiaciones
No escucharemos mas sermones.

Es fácil vegetar dejar que otros hablen
Y decir 'ellos saben más que yo'
Ponerse una insignia marchar detrás de un líder
Y dejar que nos esgriman como razón
No vamos a esperar la idea nunca nos gustó
Ellos no están haciendo lo que al comienzo se pactó.

Los Prisioneros - Paramar

R1: D - Em - D - Bm - A - G - A - C

R2: D - A - C - G

R3: Bm - G (A)

Recuerdo cuando dije que este invierno
Seria menos frio que el anterior, Y aquí estoy, congelándome
No es fácil para mí hablar de esto
Y manosear las mismas palabras de amor
Que se entregan, a cualquiera

Paramar paramar debes tratar de poco entregar
Paramar paramar tu identidad debes pasear
Paramar paramar siendo estúpido serás feliz
Paramar paramar debes evitar soñar, Debes olvidar soñar

Recuerdo cuando pensé que en el mundo
Solo podía hacerte feliz alguna vez
Alguien como tu, nadie mas que tu
Caminando en el frío me pregunto
Si no ha nacido alguna chiquilla que no sepa amar
Y quiera inventar una nueva forma

Amor amor Donde oí esa palabra antes
Me hice un horario y compre más calendario
Me paso un video en tres dimensiones con un final feliz
Trato de inyectarme mi viejo optimismo
Parece que resulto aun era yo listo para amar..
Nunca pensé que justo este invierno, seria el más frio que he visto
pasar, Yo no sirvo, para amar.

Los Tres - Hojas de Te

R1: A - D - A - G

R2: A - C - D - E

Hojas de té

No sé si sirven muy bien

Para poder hacer lo que quiero hacer

No te entendí bien

Tenías o no

La biblia también nos sirve

La fuerza o la razón

Azúcar café

Escalofríos después

Viejo y paralizado de la cabeza a los pies

Cesante otra vez

Aburrimiento sin fin

Prefiero morir en la cárcel que seguir vivo aquí

Los recuerdos harán que te olvide

Que no se te olvide acordarte que me tienes que olvidar

En el mismo andén

Estoy contando hasta diez

Y sin pensar demasiado piquero a la línea del tren

No caí muy bien

El tren se descarriló

Cansado, molido & consciente, no lo quiero creer

Los Tres - Amor Violento

R1: A - Bm - E7

R2: C#m - F#m (B)

Cuando por primera vez te vi
supe que el cielo era para ti y para mi
y para ti y para mi

Nunca mas podre dormir
nunca mas podre soñar
con nadie que no seas tu

Gastare toda mi vida
en comprar la tuya
gastare toda mi vida
y mas, mucho mas, mucho mas

El amor tendra que esperar
un buen rato para descansar
de tu y de mi, de tu y de mi

Porque un amor violento
nos deslumbro
un amor violento nos fulmino
Porque un amor violento
nos deslumbro
un amor violento nos fulmino

Lucybell - Viajar

R1: E - D - Am

R2: Am - E - G - D - F - C - E

Viajar por tus poros
no es el aire el que me hace hablar
es tu risa, viajar
no es el aire el que me hace hablar
es tu risa

y vagare sembrando en la orilla
y al regresar mi lengua afilada
sabra podar lo falso

Viajar por tu sangre
no es lo suave lo que me hace temblar
es tu risa
viajar
no es lo suave lo que me hace temblar
es tu risa

y vagare sembrando en la orilla
y al regresar mi lengua afilada
sabra podar

y vagare sembrando en la orilla
y al regresar mi lengua afilada
sabra podar lo falso todo lo falso

Mana - El muelle de san Blas

R1: Em - A - D - G

R2: D - A (G - A - D)

Ella Despidio a su amor
el partio en un barco en el muelle de San Blas
El juro y que volveria
y empapada en llanto ella juro que esperaria
Miles de lunas pasaron
y siempre ella estaba en el muelle esperando
Muchas tardes se anidaron
se anidaron en su pelo y en sus labios.

Llevaba el mismo vestido
y por si el volviera no se fuera a equivocar
Los cangrejos le mordian sus ropajes, su tristeza y su ilusion
Y el tiempo se escurrio y sus ojos se le llenaron de amaneceres
Y del mar se enamoro y su cuerpo se enraizo en el muelle.

Sola, sola, en el olvido. Sola, sola, con su espiritu
Sola, sola, con su amor. Sola, en el muelle de San Blas.

Su cabello se blanqueo pero ningun barco a su amor le devolvía
Y en el pueblo le decian, le decian la loca del muelle de San Blas
Y una tarde de abril la trataron trasladar al manicomio
Nadie la pudo arrancar y del mar nunca jamás la separaron.

Mana - Rayando el sol

R1: G - C - D - C

R2: Bm - C - D

R3: G - D - Em - C - G - Bm - C - D

Rayando el sol
rayando por ti
esta pena me duele
me quema sin tu amor

No me has llamado
estoy desesperado
son muchas lunas
las que te he llorado

Rayando el sol, desesperacion
es mas facil llegar al sol que a tu corazon
Me muero por ti, viviendo sin ti
y no aguanto me duele tanto estar asi,
rayando el sol

A tu casa yo fui
y no te encuentre
en el parque, en la plaza, en el cine
yo te busque

Te tengo atrapada
entre mi piel y mi alma
mas ya no puedo tanto
y quiero estar junto a ti

Men At Work - Down Under

R1: Bm - A - Bm - G - A

R2: D - A - Bm - G - A

Traveling in a fried-out combie
On a hippie trail, head full of zombie
I met a strange lady, she made me nervous
She took me in and gave me breakfast

Do you come from a land down under?
Where women glow and men plunder?
Can't you hear, can't you hear the thunder?
You better run, you better take cover.

Buying bread from a man in Brussels
He was six foot four and full of muscles
I said, "Do you speak-a my language?"
He just smiled and gave me a vegemite sandwich

I come from a land down under
Where beer does flow and men chunder
Can't you hear, can't you hear the thunder?
You better run, you better take cover.

Lying in a den in Bombay
With a slack jaw, and not much to say
I said to the man, "Are you trying to tempt me
Because I come from the land of plenty?"

Metallica - Nothing else matters

R1: Em - D - C (G - B7 - Em)

R2: D - C - A (D - Em)

So close no matter how far
couldn't be much more from the heart
forever trusting who we are
and nothing else matters

never opened myself this way
life is ours, we live it our way
all these words I don't just say
and nothing else matters

trust I seek and I find in you
every day for us something new
open mind for a different view
and nothing else matters

never cared for what they do
never cared for what they know
but I know

So close no matter how far
couldn't be much more from the heart
forever trusting who we are
and nothing else matters

Metallica - The four horsemen

R1: Em - D - Em - C - D

R2: Em - D - C - B

By the last breath of the fourth winds blow
Better raise your ears
The sound of hooves knock at your door
Lock up your wife and children now
It's time to wield the blade
Now you've got some company

The horsemen are drawing nearer
On leather steeds they ride
They've come to take your life
On through the dead of night
With the four horsemen ride
Or choose your fate and die

You have been dying since the day you were born
You know it's all been planned
The quartet of deliverance rides
A sinner once, a sinner twice
No need for confession now
Now you've got the fight of your life

Muse - Madness

R1: A - D - A

R2: F#m - E - D (A)

MA MA MA MA MA MA

I, I can't get these memories out of my mind
And some kind of madness has started to evolve
I, I tried so hard to let you go
But some kind of madness is swallowing me whole, yeah

I have finally seen the light
And I have finally realised what you mean

And now I need to know is this real love
Or is it just madness keeping us afloat?
And when I look back at all the crazy fights we've had
It's like some kind of madness was taking control, yeah

And now I have finally seen the light
And I have finally realised what you need

And now I have finally seen the end
And I'm not expecting you to care, no
And I have finally seen the light
And I have finally realised
I need to love

Oasis – Don't look back in anger

R1: C - G - Am - E7 - F - G - C (Am - G)

R2: F - Fm - C (G - E7 - Am - G - F - G)

Slip inside the eye of your mind
Don't you know you might find
A better place to play
You said that you'd never been
But all the things that you've seen
Slowly fade away

So I start a revolution from my bed
Cos you said the brains I have went to my head
Step outside the summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
Cos you ain't ever going to burn my heart ouuuuuuuuuut

So Sally can wait, she knows it's too late
As we're walking on by
Her soul slides away, but don't look back in anger
I heard you say

Take me to the place where you go
Where nobody knows
If it's night or day
Please don't put your life in the hands
Of a Rock and Roll band
Who'll throw it all away

Ozzy Osbourne - Crazy train

R1: A - E - D

R2: F#m - D (A - E - F#m)

R3: F#m - A - E - F#m - D - E

Crazy, but that's how it goes,
millions of people, living as foes
Maybe, it people, late,
to learn how to love, and forget how to hate

Mental wounds not healing, driving me insane
I'm going off the rails on a crazy train
I'm going off the rails on a crazy train

I've listened to preachers, I've listened to fools
I've watched all the dropouts, who make their own rules
One person conditioned, to rule and control
The media sells it, and you live the role

I know that things, are going wrong for me
You gotta listen to my words Yeh-h

Heirs of a cold war, that's what we've become
Inheriting troubles, I'm mentally numb
Crazy, I just cannot bear
I'm living with something, that just isn't fair

Pantera - Cemetery Gates

R1: F#m - A - E - D

R2: Am - F - B5

Reverend reverend is this some conspiracy?
Crucified for no sins, an image beneath me.
Lost within my plans for life, it all seems so unreal.
I'm a man cut in half in this world, left in misery.

The reverend, he turned to me without a tear in his eyes.
It's nothing new for him to see, I didn't ask him why.
I will remember the love our souls had sworn to make.
Now I watch the falling rain, all my mind can see now is your face.

Well I guess you took my youth, and gave it all away.
Like the birth of a new found joy, this love would end in rage.
And when she died, I couldn't cry, the pride within my soul.
You left me incomplete, all alone as the memories now unfold.

Believe the word, I will unlock my door
and pass the cemetery gates

Sometimes when I'm alone, I wonder aloud
if you're watching over me, someplace far abound.
I must reverse my life, I can't live in the past.
Then set my soul free, belong to me at last.

Through all those complex years, I thought I was alone.
I didn't care to look around and make this world my own.
And when she died, I should've cried & spared myself some pain.
You left me incomplete all alone as the memories still remain.

Pearl Jam - Yellow Ledbetter

R1: E - B - A - E

Unsealed On a porch a letter sat
Then you said i wanna leave it again
Once i saw him On a beach of weathered sand
And on the sand i wanna leave it again

On a weekend wanna wish it all way
And they called an i said an i want what
i said an i call out again

And the reason oughta leave her calm i know
I said i know what i wear that a box or the bag

Oh yeah can you see them?
Out on the porch Ah, but they don't wave
I see them Round the front way, yeah
And i know and i know I don't wanna stay

I see
I don't know there's something else
I wanna drum it all away an i said
I said, I don't know where there's a box or the bag

Pink Floyd - Another brick in the wall

R1: Dm (G)

R2: G - F - C - Dm

We don't need no education,
We don't need no thought control,
No dark sarcasm in the classroom.
Teacher leave them kids alone.

Hey, Teacher! Leave them kids alone.
All in all it's just another brick in the wall.

Pink Floyd - Comfortably Numb

R1: Bm - A - G - Em - Bm

R2: D - A(C - G)

Hello, is there anybody in there?

Just nod if you can hear me; is there anyone home?

Come on, now, I hear you're feeling down.

Well, I can ease your pain; get you on your feet again.

Relax, I need some information first.

Just the basic facts: can you show me where it hurts?

There is no pain, you are receding.

A distant ship's smoke on the horizon.

You are only coming through in waves.

Your lips move but I can't hear what you're saying.

When I was a child I had a fever

My hands felt just like two balloons

Now I got that feeling once again

I can't explain, you would not understand

This is not how I am.

I have become, comfortably numb.

Ok, (ok) just a little pinprick.

There'll be no more --aaaaaahhhhh! But you may feel a little sick.

Can you stand up? I do believe it's working good.

That'll keep you going for the show. Come on it's time to go.

Pink Floyd - Nobody Home

R1: Am C D7 F Fm

R2: F C E E7 F Fm C

R3: C C7 F Fm C E7 Am D7 G E7

R4: Am C D Fm C F C

I've got a little black book with my poems in.
Got a bag with a toothbrush and a comb in.
When I'm a good dog, they sometimes throw me a bone in.

I got elastic bands keeping my shoes on.
Got those swollen hand blues.
Got thirteen channels of shit on the T.V. to choose from.

I've got electric light. And I've got second sight.
And amazing powers of observation.

And that is how I know When I try to get through
On the telephone to you There'll be nobody home.

I've got the obligatory Hendrix perm. And the inevitable pinhole
burns All down the front of my favourite satin shirt.

I've got nicotine stains on my fingers.
I've got a silver spoon on a chain.
I've got a grand piano to prop up my mortal remains.

I've got wild staring eyes. And I've got a strong urge to fly.
But I got nowhere to fly to (fly to, fly to, fly to, fly to, fly to)

Ooooh, Babe when I pick up the phone
There's still nobody home.
I've got a pair of Gohills boots and I got fading roots.

Pink Floyd - Wish You Were Here

R1: C - D - Am - G - D - C - Am - G

So, so you think you can tell
Heaven from Hell,
Blue skies from pain.
Can you tell a green field
From a cold steel rail?
A smile from a veil?
Do you think you can tell?

And did they get you to trade
Your heroes for ghosts?
Hot ashes for trees?
Hot air for a cool breeze?
Cold comfort for change?
And did you exchange
A walk on part in the war
For a lead role in a cage?

How I wish, how I wish you were here.
We're just two lost souls
Swimming in a fish bowl,
Year after year,
Running over the same old ground.
What have we found?
The same old fears.
Wish you were here.

QOTSA - Make it wit chu

R1: F - E - Am

You wanna know if I know why?
I can't say that I do
I don't understand the evil eye
Or how one becomes two
I just can't recall what started it all
Or how to begin in the end
I ain't here to break it
Just see how far it will bend
Again, Again, Again, Again

I wanna make it
I wanna make it wit chu
Anytime, Anywhere
I wanna make it
I wanna make it wit chu

Sometimes the same is different,
but mostly it's the same
these mysteries of life, that jus ain't my thing
if I told you that I knew about the sun and the moon,
I'd be untrue
The only thing I know for sure
Is what I wanna do

anytime, anywhere, I say

Radiohead - Creep chords

R1: G - B7 - C - Cm

When you were here before,
couldn't look you in the eye
You're just like an angel,
your skin makes me cry

You float like a feather,
in a beautiful world
I wish I was special;
you're so very special

But I'm a creep, I'm a weirdo
What the hell am I doing here? I don't belong here

I don't care if it hurts,
I wanna have control
I want a perfect body;
I want a perfect soul

I want you to notice,
when I'm not around
You're so very special;
I wish I was special

She's running out the door,
she's running out she run run run run

Whatever makes you happy, whatever you want
You're so very special; I wish I was special

Radiohead - High And Dry

R1: F#m - A - E

Two jumps in a week
I bet you think that's pretty clever don't you boy
Flying on your motorcycle
Watching all the ground beneath you drop
You'd kill yourself for recognition
Kill yourself to never ever stop
You broke another mirror
You're turning into something you are not

Don't leave me high
Don't leave me dry
Don't leave me high
Don't leave me dry

Drying up in conversation
You will be the one who cannot talk
All your insides fall to pieces
You just sit there wishing you could still make love
They're the ones who'll hate you
When you think you've got the world all sussed out
They're the ones who'll spit at you
You will be the one screaming out

It's the best thing that you ever had
The best thing that you ever, ever had
It's the best thing that you ever had
The best thing you ever had has gone away

RHCP - Under the bridge

R1: C - G - Am - F - C

R2: Dm - C - G - Am

sometimes I feel like I don't have a partner
sometimes I feel like my only friend
is the city I live in, the city of Angels
lonely as I am, together we cry

I drive on her streets cause she's my companion
I walk through her hills cause she knows who I am
she sees my good deeds and she kisses me windy
I never worry now that is a lie

I don't ever wanna feel like I did that day
take me to the place I love, take me all the way
I don't ever wanna feel like I did that day
take me to the place I love, take me all the way

it's hard to beleive that there's nobody out there
it's hard to beleive that I'm all alone
at least I have her love, the city she loves me
lonely as I am, together we cry

RHCP - Otherside

R1: Am - F - C - G

R2: Am - Em (G - Am)

How long how long will I slide
Separate my side I don't
I don't believe it's bad
Slitin my throat It's all I ever

I heard your voice through a photograph
I thought it up it brought up the past
Once you know you could never go back
I've got to take it on the otherside

Centuries are what it meant to me
A cemetery where I marry the sea
Stranger things could never change my mind
I've got to take it on the otherside
Take it on the otherside
Take it on Take it on

Pour my life into a paper cup
The ashtray's full and I'm spillin' my guts
She wants to know am I still a slut
I've got to take it on the otherside

Scarlet starlet and she's in my bed
A candidate for my soul mate bled
Push the trigger and pull the thread
I've got to take it on the otherside
Take it on the otherside, Take it on, Take it on

REM - Losing my religion

R1: Am - Em (Dm - G)

R2: F - G - Am - F - Dm7 - G - Am

R3: C - Dm

Oh, life is bigger. It's bigger than you and you are not me.

The lengths that I will go to, the distance in your eyes.

Oh no, I've said too much. I set it up.

That's me in the corner.

That's me in the spotlight. Losing my religion.

Trying to keep up with you

and I don't know if I can do it.

Oh no, I've said too much. I haven't said enough.

I thought that I heard you laughing. I thought that I heard you sing.

I think I thought I saw you try.

Every whisper of every waking hour,

I'm choosing my confessions.

Trying to keep an eye on you like a hurt, lost and blinded fool.

Oh. Oh no, I've said too much. I set it up.

Consider this, consider this the hint of the century.

Consider this, the slip, that brought me to my knees failed.

What if all these fantasies come, flailing around?

And now, I've said, too much.

But that was just a dream. That was just a dream.

Snow Patrol - Chasing Cars

R1: C - G - Am - C

We'll do it all, everything, on our own
We don't need anything, or anyone.

If I lay here, if I just lay here
Would you lie with me, and just forget the world.

I don't quite know how to say how I feel
Those three words, I said too much, but not enough.

If I lay here, if I just lay here
Would you lie with me, and just forget the world.
Forget what we're told, before we get too old
Show me a garden that's bursting into life.

Let's waste time, chasing cars, around our heads.
I need your grace to remind me, to find my own.

All that I am, all that I ever was
Is here in your perfect eyes, they're all I can see
I don't know where, confused about how as well
just know that these things will never change for us at all.

Snow Patrol - Run

R1: Am - Fmaj7 - G

R2: C - G - Am - Fm

I'll sing it one last time for you

Then we really have to go.

You've been the only things that's right. In all I've done.

And I can barely look at you.

But every single time I do.

I know we'll make it anywhere. Away from here.

Light up, Light up. As if you have a choice.

Even though you can not hear my voice.

I'll be right beside you dear.

Louder, louder. And we'll run for our lives.

I can hardly speak, I understand.

Why you can't raise your voice to say.

To think I might not see those eyes.

Makes it so hard not to cry.

And as we say our long goodbyes. I nearly do.

Louder, louder. And we'll run for our lives

I can hardly speak, I understand.

Why you can't raise your voice to say.

Slower, Slower. We don't have time for that.

All I want is to find an easier way.

To get out of our little heads.

Have heart, my dear. We're bound to be afraid.

Even if it's just for a few days.

The Cure - Pictures of you

R1: A - D

R2: E - D (A)

I've been looking so long at these pictures of you
That I almost believe that they're real
I've been living so long with my with my pictures of you
That I almost believe that the pictures are All I can feel

Remembering you standing quiet in the rain
As I ran to your heart to be near
And we kissed as the sky fell in holding you close
How I always held close in your fear

Remembering you running soft through the night
You were bigger and brighter and wider than snow
And screamed at the make believe Screamed at the sky
And you finally found all your courage To let it all go

If only I'd thought of the right words
I could have held on to your heart
If only I'd thought of the right
words I wouldn't be breaking apart
All my pictures of you

There was nothing in the world
That I ever wanted more
Than to feel you deep in my heart
There was nothing in the world
That I ever wanted more Than
That I to never feel the breaking apart All, my pictures of you

The Doors - LA Woman

R1: A (G)

R2: A - C - A

Well, I just got into town about an hour ago.
I took a look around, see which way the wind blow.
Where the little girls in their Hollywood bungalows.
Are you a lucky little lady in the city of light?
Or just another lost angel?

City of night, City of night
City of night, City of night

L A woman, L A woman
L A woman, Sunday afternoon
Drive through your suburbs
Into your blues

I see your hair is burnin' Hills are filled with fire
If they say I never loved you You know they are a liar
Drivin' down your freeways Midnight alleys roam
Cops in cars, the topless bars Never saw a woman
So alone, so alone

Motel money, murder madness
A-change the mood from glad to sadness

Mr. Mojo risin', Mr. Mojo risin'
Got-ta keep on risin'

The Rolling Stones - Gimme Shelter

R1: B (A - G)

Oh, a storm is threat'ning
My very life today
If I don't get some shelter
Oh yeah, I'm gonna fade away
War, children, it's just a shot away
It's just a shot away
War, children, it's just a shot away
It's just a shot away

Ooh, see the fire is sweepin'
My very street today
Burns like a red coal carpet
Mad bull lost its way
War, children, it's just a shot away
It's just a shot away
War, children, it's just a shot away
It's just a shot away

Sorry

Is all that you can't say

Years gone by and still

Words don't come easily

Like sorry

Forgive me

Is all that you can't say

Years gone by and still

Words don't come easily

Like forgive me forgive me

But you can say baby

Baby can I hold you tonight?

Baby if I told you the right words

Oooh at the right time

You'd be mine

I love you

Is all that you can't say

Years gone by and still

Words don't come easily

Like I love you I love you

Zucchero - Baila Morena

R1: Em - A

R2: Am - D - Em - G - A - B7

R3: Em - C - G - D

Creo en los milagros desde que te vi
En esta noche de tequila boom boom
Eres tan sexy eres sexy thing
Mis ojos te persiguen sólo a ti
Y debe haber un caos dentro de ti
Para que brote así una estrella que baila
Infierno y paraíso dentro de ti
La luna es un sol, mira cómo brilla

Baby the night is on fire Seamos fuego en el cielo
Llamas en lo oscuro What you say

Baila baila morena
Bajo esta luna llena
Under the moonlight
Under the moonlight

Ven chica ven loca dame tu boca
Que en esta noche cualquier cosa te toca
Mi corazón de oro es el de un santo
Dámelo todo me lo merezco tanto
Mi corazón se revienta y no aguanto
Morena rebuena te quiero yo tanto
